Sedona Award Program Honors the Achievement

SEDONA October 1, 2022 -- Lifesource Institute has been selected for the 2022 Best of Sedona Award in the Consultant category by the Sedona Award Program.

Each year, the Sedona Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Sedona area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2022 Sedona Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Sedona Award Program and data provided by third parties.
